

Level 7 Diploma in Healthcare Management

Lloyds College level 7 qualifications in healthcare management provide strategic management skills for those planning to, or working in the healthcare sector both internationally and in the UK, including additional units that are specifically targeted at those working in the public sector.

Change is a distinctive characteristic of the healthcare sector and it is the strategic managers who should be the first to respond to, and support positive transformation.

At a glance:

- The Diploma is 1,200 learning hours, usually studied over an academic year
- Graded 'Achieved' or 'Not achieved'
- Designed with support from universities
- Can be delivered in the classroom, by distance or by blended learning.

Units

There are three different sizes of qualifications. If you study the 120-credit diploma then you must study all 6 mandatory units and select 3 or 4 optional units. If you study the 30-credit certificate then you must study any 2 of the "optional units for certificate" listed below. There are a variety of other awards made up of single units.

Mandatory Units for Diploma (120 credits)

- Organisational Behaviour
- Managing Finance in the Public Sector
- International Healthcare Policy
- Manage Continuous Organisational Improvement
- Developing Organisational Vision and Strategic Direction
- Research for Senior Managers

Optional units for Certificate (30 credits)

- Organisational Behaviour
- Manage Continuous Organisational Improvement
- Developing Organisational Vision and Strategic Direction

Optional Units

- Human Resource Management
- Project Management
- Programme Leadership
- Strategic Resource Management
- Risk Management
- Managing Stakeholder Engagement
- Corporate Communications Strategies
